

MAY PRAYER FORCE LETTER Part 1

Calling out to God for the ongoing ministry of Shoreline Church!

CHILDREN'S MINISTRY: Tracy Hartlage

Praise Report: We are thankful for all your prayers! We are starting to figure out online ministry and reaching our kiddos and their families. Please continue prayers for the following:

Prayer Targets:

1. Parents as they continue navigating online learning with their students.
2. Students as they deal with the emotions of uncertainty, not being with their friends and having to depend on their parents for learning.
3. Leaders as we follow Gods direction to offer ministry in new ways.

YOUTH MINISTRY: Callie Willoughby

Praise Report: Praise God for the connections we have been able to maintain and re-establish during this past month.

Prayer Targets:

1. Pray for all students, as they finish out the end of the school year strong. Pray especially for our seniors and their families.
2. Pray for wisdom as I think through what the transition period between youth directors will look like at Shoreline once I move, and for those who will be seeing that through voluntarily over the summer.
3. Pray that God would be preparing the heart of whoever He has next for this position. And that He'd be preparing the hearts of our students and congregation as well.

TOTAL CHURCH MINISTRY: Bill Blue

Praise Report: We are adapting to the new normal ministry wise and we are planning for each of the upcoming changes ahead of us. I can clearly see God's hand through these changes in ministry.

Prayer Targets:

1. Pray for wise discernment as your leaders plan for doing ministry virtually!
2. Ask God to use this time of change to make us more effective in the future at loving God, loving people, and making disciples.
3. A lack of face to face communication is a hotbed for discord. Pray that during this time of communicating online that if there is miscommunication, then people will call each other to clarify.

Partnering together to love God, love people, and to make disciples!
