

CALLING OUT TO GOD FOR THE ONGOING MINISTRIES OF SHORELINE CHURCH!

November 2017

Children's Ministry: (Tracy Hartlage - Children's Ministry Director)

Prayer Targets:

1. Pray for direction as we plan for a way to involve our children in our Christmas Services.
2. Last November and December the children and their leaders were all very sick. Pray that this year the children and volunteer leaders stay healthy.
3. Ask God to give each of our volunteers a renewed passion and excitement for the potential of Children's Ministry!

Youth Ministry: (Callie Willoughby – Student Ministries Director)

Praise Report: God has been reminding me of the importance of equipping and empowering students and coaches. Awesome to see students step up to lead, and we've had two coaches share this past month how they came to know Jesus!

Prayer Targets:

1. Pray for our Pancakes and Prayer mornings - something new we are trying with students who are ready to be challenged in their faith. Pray that God would give us a heart for our friends that do not yet know Him, and that He would use us to reach them for Christ!
2. Pray for wisdom and discernment concerning what to do this summer - mission trip, conference, etc.
3. I've started spending time at McDonald's on Tuesdays and Thursdays. There are a lot of teens that hangout after school. Pray that I would be attentive to God's lead as I establish a presence there, and overtime begin to build relationships with some of these students and demonstrate God's love.
4. Pray for a safe and relaxing Thanksgiving and for grateful hearts.

All Church Ministry: (Bill Blue – Lead Pastor)

Report: The new Navigators for the next two years have been appointed to serve by the Navigators and the Administrative Board! We will be announcing the details on December 3rd. Our opportunities to get involved in our community through Oak Harbor's Apple Fest went great this year! The weather limited our outcomes a little but the Hospitality Tent on Main Street and the Sunday Service at the grandstands went very well! We are already making plans for next year.

Prayer Targets:

1. Pray for God's direction as your leadership considers next steps for these key issues: active shooter preparation, using the Christmas Season to reach out to the non-churched, and the possibility of changing to one Sunday Service until we start averaging 130 again.
