

CALLING OUT TO GOD FOR THE ONGOING MINISTRIES OF SHORELINE CHURCH!

October 2017

Children's Ministry: (Tracy Hartlage - Children's Ministry Director)

God has been so faithful!! September we started strong into our F.R.O.G. series on Wednesday night. So excited for all God will be doing in KAOS as our kids really start to see Jesus answering our prayers, and stepping out in faith to pray bigger prayers!! I was also blessed to be able to attend a 'Kidmin Conference' with 1800+ other kids ministry workers! We will have a team meeting soon so I can share all the valuable things I heard!

KAOS Prayer Requests

1. Please be praying that we are able to actively and concisely communicate with our families. KAOS is so much about *partnering* with parents and we want to be intentional about getting parents involved in what we are doing here at the church. Our goal is to equip them to have those faith-based conversations from our lessons continue at home through the week.
2. We will be doing outreach at the Apple Fest so prayers that we are able to engage in meaningful conversations while we are interacting that weekend.
3. As I prepare for our team meeting, pray that God develops in me a passion for those things we should be doing right now and a patience to wait for the things that are great things, but not the right things for this moment. After the conference, it is easy to get so pumped up for so many things, but not healthy for the ministry to change too many things in a short time
4. Lord help us to be intentional about partnering with parents to grow children who love God, love people and continue to grow in their faith, sharing the love of Jesus. It's in His name we pray ~Amen

Youth Ministry: (Callie Willoughby – Student Ministries Director)

Praise Report: The school year is off to a good start. We have seen a few visitors come back after Capture the Flag. The Fall Retreat at the end of the month was a great time of building relationships, making memories, and digging into God's Word.

October Prayer Targets:

1. Pray that our group would be unified, full of encouragement, a safe place, and a space that friends would feel welcomed in.
2. Pray for wisdom and discernment concerning what to do this summer - mission trip, conference, etc.
3. Pray that God would be working out the logistics for the Senior Small Group this year.
4. Pray that we'd be able to make a positive impact in the community through Apple Fest this month!

All Church Ministry: (Bill Blue – Lead Pastor)

Report: The Oct. 1st service with Life Challenge was awesome! It was great to see the light of Christ in the men's faces as they shared about their lives before Christ and after becoming a Christian! If you was gone, you missed it! Try listening to the service off of our church app or on our website. We are halfway through the Navigator appointment process and there are some quality men available! Looking forward to seeing who God points out at the end of the process!

Prayer Targets:

1. Ask God to provide opportunities for Shoreliners to clearly represent Jesus through this year's Apple Fest!!
2. Pray that God would use the craziness/evil in our society, to cause people to rise up and make a difference for Christ! 'Life is short – But God is BIG!'
