

Addressing Racism P 2

8-30-20

Message Notes

What stood out to you about today's message?

What are some of the

bias's that people have in your box?

Define in your own words what acting justly looks like?

What makes it hard to not rush to judgement before getting all of the facts?

Why does the Lord require us to love mercy, not just do merciful things?

How could you make loving mercy a pattern in your everyday life?

What does it mean to walk humbly with your God?

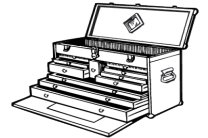

Right now, where in your life are you tempted towards pride, self-dependence, or self-centeredness?

What can you do to stay humble in your walk with Jesus?

Is there a "Next Step" that you know God wants you to take?

Close by praying for one another.
